## Learning outcomes & description

**The training enables learners to identify challenges in communication in emergencies that hinder flow of information in a rapidly changing environment. Learners will also gain knowledge on how to identify mitigating measures for communication risks in emergencies. Finally, learners will explore tools and techniques to design and implement a communication plan in emergencies.**

## Details

### *Details*

**Duration** 6 to 7 hours online learning

*Details*

Language English

Training plan 2026
